

Northeast Missouri Workforce Investment Board
Public Notice

The Workforce Investment Act (WIA) of 1998 (Public Law #105-220) requires each designated workforce investment area to submit a locally developed two-year comprehensive plan, in partnership with the Chief Elected Officials, to the state for review. This two-year comprehensive plan is for the period of July 1, 2005 through June 30, 2007. This proposed plan will be available for a 30-day public review period beginning July 29, 2005. Interested parties may review the plan between the hours of 8:30 a.m. to 5:00 p.m., Monday through Friday at the Northeast Missouri Workforce Investment Board's Administrative office located at 111 East Monroe in Paris, Missouri or review the plan on-line at the NEMO Workforce Investment Board's website at www.nemowib.org.

The Northeast Region is comprised of Adair, Clark, Knox, Lewis, Lincoln, Macon, Marion, Monroe, Montgomery, Pike, Ralls, Randolph, Schuyler, Scotland, Shelby and Warren Counties in Northeast Missouri.

This proposed plan outlines the administration of Title I of the Workforce Investment Act and the delivery of workforce development services available to youth, adults and dislocated workers through the one-stop career center system in the Northeast Region. The purpose of this legislation is to enable local areas to develop a unified training system that will increase the employment, retention, and earnings of individuals, and as a result improve the quality of the workforce, reduce welfare dependency, and enhance the productivity and competitiveness of the nation. The negotiated local performance measures between the Workforce Investment Board, Chief Local Elected Officials and the Governor will be completed by August 12, 2005 and may be reviewed at that time.
